Subject: Final Exam

Dear loving Palackal Acha,

Tomorrow is my defence at the University of Salzburg at 8:30 a.m. Austrian time. Since your ongoing research has deeply grounded the historical foundations of my work, you will be especially referred to in my presentation.

I also wish to thank you sincerely for all your support, suggestions, corrections, and above all, for your paternal love and encouragement throughout this journey.

I humbly request your valuable prayers for my defence.

Lovingly,
Fr. Joseph Pathil
